

DETERMINING INVOLVEMENT OF YOUR PAST-LIFE IN PRESENT-DAY REALITY.

1. Have you ever had a dream so vivid that you felt it was real?
2. Do you have a talent or passion that is very different from what might interest people in your family of origin?
3. Have certain painful, repetitive events kept happening to you?
4. What about your particular passions or hobby – why did you choose it?
5. Have you ever been compelled to get closer to someone despite feeling apprehensive when meeting them?
6. Are you ever irrationally scared of losing someone you care about in an accident, regardless of the circumstances?
7. Did you ever do something completely out of character because of someone you've met?
8. When you watch a movie or TV show, do you often begin to cry at when certain kinds of scenes are shown?
9. Is there any place or time in history that evokes a strong feeling within you?
10. Is there any animal you hate or feel a strong connection with?

11. Was there anything unusual about your childhood?
12. Is there anything or anyone you worry about irrationally?
13. Have you ever felt obsessed by someone or something for no apparent reason?
14. Have you made any mistakes that have led to an unexpected good turn or fateful event?
15. Has something or someone ever deeply moved you without reason?
16. Are you experiencing tension in academics, career and, or personal life?
17. When thinking about your experiences, have you had any that were too bizarre to explain?
18. Did you ever meet someone and feel compelled to be with them? Do you believe you were drawn together by an unexplainable force?
19. Have you ever been innately talented at something for which you had no training?
20. Have you experienced unexplainable health conditions, or multiple cancer recurrence / relapse (cancer comes back after treatment) in the same or different part of the body?

If you answered YES to at least 8 questions, there is definite involvement.
